** **The SunStep Share Certificate Option:** You have the option during each term of this type of share certificate to exchange this dividend rate for a new dividend rate. The new dividend rate will be the dividend rate we are then offering on any other share certificate of equal term to maturity as the original term of this share certificate. This exchange will be at no cost to you. If you make an exchange, the maturity date of this share certificate will remain the same as originally scheduled. You may exercise this option once during each term (the original term and each renewal term). APY is based on \$10,000. Your APY may vary slightly. APY shown is for highest term offered at rate shown. Refer to the Certificate Truth-in-Savings Disclosure for details.
