Unlinked Accounts

To make a transfer to an “unlinked account” for the first time go to the transfer tab up top and click on unlinked accounts.

Fill in the information, on the account number put the number as XXXXXX-SXXXX for Savings/checking accounts or XXXXXX-LXXXX for loans. Once you hit continue this will add the account to your list of unlinked accounts.

This account will now appear in your list of destination accounts (To Account) and you can make a transfer as shown above.
